

# SPRINT THREE REPORT

Pear

3/4/18

## Action To Stop Doing:

1. Using QR codes instead of Bluetooth to share the media

## Actions To Start Doing:

1. Test the build after adding each dependency.
2. Populating the pages to get the data from Firebase

## Actions To Keep Doing:

1. Using clean design tactics
2. Formatting code in a readable fashion
3. Coding sessions

## Work Completed:

1. UI is mostly complete
2. Settings Page gets populated with user information from firebase

## Work Not Completed:

1. Sync is not functional yet
2. Bluetooth has not been implemented

## Work Completion Rate:

Sprint 3 Burn Up Chart
