SPRINT ONE REPORT

Pear
2/4/18

Action To Stop Doing:
1. Not following scrum fully

Actions To Start Doing:
1. Better organize the trello board
2. Update the trello board every scrum meeting

Actions To Keep Doing:
1. Scrum meeting 3 times a week

Work Completed:
1. As a team member, each of us want to have researched the relevant technologies, so that we can all provide to the development table.

Work Not Completed:
1. As a developer, I want to have a basic UI design completed, so that the team is able to test the application. (Ionic SDK + React-Native)
2. As a user, I want to be able to login using Firebase, so that my account can be created.

Work Completion Rate:

Sprint 1 Burn Up Chart
